DunnCox E-Newsletter

December 2009

Season's Greetings

The DunnCox family would like to extend warmest wishes to you for a Blessed and Peaceful Holiday Season and a New Year filled with joy and prosperity.

This issue of the DunnCox E-Newsletter focuses on protecting yourself against credit card fraud which is very apropos at this time of year. We also feature our recently held JSE Junior Market Seminar hosted in collaboration with NCB Capital Markets and Ernst and Young, which presented an opportunity to explore the tax exemption recently gazetted by the Government and now available to SMEs which has made listing potentially the most attractive method of capitalizing businesses.

Our firm is proud to announce it has yet again been ranked as a top tier firm in the 2010 edition of IFLR1000, a publication which ranks leading law firms around the world.

We have also included highlights of our participation in the Financial Services Commission's Pensions Expo held in November and our continued support of education at the University of the West Indies and the downtown community.

Thank you for your continued support and may all the joys of the season be yours.
